Tutor Marked Assignments (January – June 2019) & (July – December 2019)

Dear Student,

As per laid down guidelines of the University, you have to complete one assignment for each course opted by you.

Each assignment has questions to be answered in about 500 words, 250 words, and 100 words. You will find that the questions in the assignments are analytical and descriptive so that you can better understand and comprehend the concepts.

It is important that you write the answers to all the questions in your own words. Your answers should be within the approximate range of the word-limit set for each question. Remember, writing answers to assignment questions will improve your writing skills and prepare you for the term-end examination.

You are to submit the assignments to **the Coordinator of your Study Centre**. You must obtain a receipt from the Study Centre for the assignment/s submitted and retain it with you. It is desirable to keep with you a photocopy of the assignment/s submitted by you.

Once evaluated, the Study Centre will return the assignments to you. Please insist on this. The Study Centre will send the marks to the Student Evaluation Division at IGNOU, New Delhi.

- 2) **Organisation:** Be a little selective and analytical before drawing up a rough outline of your answer. Give adequate attention to question's introduction and conclusion.

Make sure that:

- a) The answer is logical and coherent,
- b) It has clear connections between sentences and paragraphs,
- c) The presentation is correct in your own expression and style.

- 3) **Presentation:** Once you are satisfied with your answer, you can write down the final version for submission. **It is mandatory to write all assignments neatly in your own handwriting.** If you so desire, you may underline the points you wish to emphasize. Make sure that the answer is within the stipulated word limit.
